

## **October 2023-Park Board - Town Council Meeting Notes**

### **1. Playground Equipment**

Snider Recreation has given the ship date for the new playground equipment of 11-29-2023, it will be installed 12-4 or 12-5. Once completed there will be new mulch added.

### **2. New Park Tractor**

The Park now has a new/used John Deer tractor with a front loader and back blade! It will be great help in the future!

### **3. Frazee Tree Donation**

Greg Frazee has donated approximately 20 trees to the Parks Department. We hope to get them at the beginning of November so that we can plant before winter sets in. Thank you so much to Greg!!

### **4. Park Vandalism**

The Board would also like to see the Town do some kind of Ordinance for vandalism in the Town of Pittsboro. The Pittsboro Police have told Robin that she will need to reach out to the parents of the boys who ransacked/vandalized the boy's restrooms twice. The Police have several cases they are working right now and do not have time. If we want them to contact the parents it will be at the bottom of the list. They do not feel that this is a criminal act. The Board does not want Robin to reach out to the parents due to safety reasons. We are working on some kind of way to approach this issue on our own.
