3. Grant approved-Picnic Tables

All the picnic tables are now completed from the grant monies given to us by The Parks Foundation of Hendrick County. I wanted to give Jack Swalley another huge Thank you for donating his time. We saved around \$1500 dollars with him building the tables so the balance of the grant will be used to set up the *inside of the concession with tables, food, etc.*

4. New Speed Bump

The Park Board has approved to install a speed bump at Scamahorn Park next to the Pickle Ball Court area. This will also create a marked walk crossing for those coming from the playground, basketball courts and pickle ball areas over to the concession stand and ball fields. This will help slow traffic in the summer season and make it safer.

5. Daddy Daughter Dance

Scott Smith held the Daddy Daughter Dance at the Pittsboro Elementary Lunch Room on March 4th. He estimated that he had a turn out of 100 guest this year. He also had approximately 20 vendors at the dance along with refreshments and small gifts. Its always great fun and the community seems to love it!! Great job Scott!
